RE: Testimonial letter for Jackpot Painting and Ultra Seal Elastomeric:

Jackpot Painting Inc.
10300 W. Charleston Blvd., Suite 13-174
Las Vegas, Nevada 89135

As a Board Member of Canyon Willow HOA I want to compliment Jackpot Painting and the special product used on the stucco. They have just completed the Largest Re-Construction project in Nevada History 720 homes.

The project was completed in 13 months. They completed the job on time as promised. The crew was neat and clean, respectful, courteous, and went the extra mile to please the homeowners. Frank and Jolene as the owners of Jackpot Painting personally inspected each building for completion.

After the presentation was completed by the owners Frank and Jolene Carman we decided that we wanted the Ultra Seal Ceramic Insulating Waterproof Elastomeric. The product has many more benefits for our community than the other products on the market.

We strongly recommend Jackpot Painting and we urge you to meet with them before deciding on your HOA Painting project.

Sincerely,

Sherman Goldsmith
Vice President Canyon Willow HOA
