Dear Mr. Carmen;

I am writing this letter to inform you of the changes which I have experienced in my condo since your firm painted the building in which my condo is located. The inside walls have felt cooler this summer and the electric bill is about 8% less than last year.

I am very well satisfied with the results since your firm painted the building. It is much more attractive and seems to be saving me money on the air conditioning and the coming heating season. It is without reservation that I would recommend your firm to all my friends.

Respectfully yours,
