To Whom it May Concern:

My name is Ronald Beach, I am the current President of the South Valley Ranch Community Association and am writing this letter to pass on my sincere appreciation for a job well done.

Jackpot Painting was hired by the South Valley Ranch Community Association Board of Directors to re-paint our exterior walls. Since the beginning of the job everyone associated with Jackpot Painting down to and including the men actually doing the job were very professional and did an outstanding job.

As the President of the Board I constantly checked their progress during the days of washing, cleaning, and preparing the wall for painting to include applying a water sealant. All during this process I was probably a pest (even though they never even suggested that) as I would ask questions concerning the procedures and was always treated with respect as the person in charge of the effort would stop what he was doing to explain what they were doing.

I want to extend a personal "thank you" to Frank Carman Jr. who was always able to help and put up with my constant questions. He is a very professional man and a credit to Jackpot Painting. I would not hesitate to recommend Jackpot Painting to anyone who is looking at hiring a contractor for a large or small painting job.

Sincerely;

Ronald C. Beach
President South Valley Ranch Community Association
Board of Directors
